

Royal Capital

CHANGING the PRESENT, TREASURING the PAST

Royal Capital may only look like a novice on the Ukrainian market, but in fact it is far from being so. The two founders of the firm, Mr. Vadym Chumachenko and Mr. Volodymyr Lozko, have more than twenty years of experience between them on the Ukrainian capital market. Both were present at the birth of the market in the 90's and both participated in the development of it via their leading positions in other investment firms.

Realizing the importance of experience and relationships for achieving results, Volodymyr and Vadym have also brought with them a team of people with solid backgrounds – the Royal Capital's administrative, trading and sales departments consist of people who had worked with them previously.

VOLODYMYR LOZKO
DIRECTOR, CO-OWNER

Mr. Lozko graduated from the National Technical University of Ukraine «Kyiv Polytechnic Institute». Ever since his graduation in 1996 he has worked on the Ukrainian fund market. In his first year, Volodymyr worked as a broker in the investment company A+. In December 1997 he was appointed Head of the Securities Operations Department at Stolitsa-Tsinni Papery firm. A new step in his career was working as Head of the Regional Brokerage Department at Millennium Capital in 2005 - 2006. In April 2006 Volodymyr became one of the founders of Royal Capital.

VADYM CHUMACHENKO
GENERAL DIRECTOR, CO-OWNER

Mr. Chumachenko has been in the investment field since 1996. Vadym graduated from the National Technical University of Ukraine «Kyiv Polytechnic Institute» in 1999. Still a student, he already started his career as a broker in A+ investment company. In May 1998 he made his next move by working at Stolitsa-Tsinni Papery.

In December 2004 Vadym was appointed Head of the Investment Department at Millennium Capital. In April 2006 he became one of the founders and General Director of Royal Capital.

ANDRIY LAZURCHENKO

VIACHESLAV MARUSIK

Mr. Marusik graduated from the Mechanical and Mathematical faculty of Kyiv National University named after Taras Shevchenko in 1996. He has been on the fund market of Ukraine since 2000. After graduating, Viacheslav worked as Chairman of the Board of Directors of Tie-Pen-Holding Finance & Energy Company through November 2000.

From that time, Viacheslav worked in the position of Chief Accountant of Stolitsa-Tsinni Papery. From January 2005 till June 2006 he was in the position of Administrative Officer at Sokrat Asset Managing Company. Mr. Marusik has been Financial Director of Royal Capital since its inception.

VITALIY SULIMOV

Mr. Sulimov graduated from Donbas National Academy of Building and Architecture majoring in Economics of Enterprises. Since 2000 he started his career at the Ukrainian securities market by taking a position of Custody Department Officer at Stinolchiminvest investment company. He then advanced to become Chief Officer of the department. In June 2004 he was appointed Head of the Custody Department at Millennium Capital. Mr. Sulimov has been promoted to the position of Head of the Royal Capital's administrative offices in March 2007.

ANDRIY LAZURCHENKO

Mr. Lazurchenko graduated from the Teachers' Training Institute of Foreign Languages in Gorlovka, Donetsk region in 1996. He then received his BBA with the highest honors at Freed-Hardeman University in Tennessee, USA majoring in Banking and Finance. Andriy's experience on the Ukrainian capital market was acquired with Millennium Capital where he worked as an Equity Sales Manager since November 2004. Andriy joined Royal Capital in the position of Head of Equity Sales in July 2007.

YEVHEN PROTYVEN

Mr. Protyven has been on the fund market of Ukraine since 2004. He graduated from the National Transport University in 2004 and will soon receive his second degree majoring in Economics of Enterprises from the same University. Yevhen worked as a trader at Millennium Capital since 2006. Mr. Protyven joined Royal Capital in March 2007 as Trading Supervisor.

Royal Capital is a member of the PFTS, Ukrainian principle stock exchange.

Our traders have extensive knowledge and understanding of the Ukrainian market and are dedicated to executing clients' orders in a professional and timely manner.

Our sales team strives to provide our clients with Western-standard services and maintain close and professional relationships with them.

Apart from the business of trading «traditional» Ukrainian stocks, we are constantly searching so that we may offer our clients and partners new ideas that can become new Ukrainian «blue chips» in the near future.

One of the key strengths regarding Royal Capital's advantage is the largest chain of local brokers across Ukraine. All of the brokers are certified and have several years of experience working in this field. For better coverage throughout Ukraine and better coordination of their work, Royal Capital founded two regional offices in the

Western and Southern Ukraine, which are already producing results and are a positive sign that Royal Capital is serious about both its presence and development. We are not only ready to provide our clients with new ideas, but are also able to help those ideas come to fruition.

AN-225 МРІЯ

We view our mission in developing the Ukrainian capital market by discovering new ideas and realizing them together with our partners all over the world. We provide access to the financing for the Ukrainian companies and help them adjust to the western standards. Royal Capital is eager and ready to share with Fund Managers, Investment Bankers and Private Investors our experience and insights to help unlock new values in one of the most dynamic and promising economies in Eastern Europe.

Our goal is to rapidly develop into a leading and highly recognized firm on the Ukrainian capital market by providing our clients with new ideas and western standard services in brokerage and asset management.
